

Goshen Fire Company Annual Subscription and Donation Drive

To the residents we serve in East Goshen, West Goshen, Westtown, and Willistown Townships:

We hope this letter finds you in good health. Goshen Fire Company has been proudly serving the community since 1950. We are a nonprofit corporation providing fire, rescue, fire police and emergency ambulance services. These services, and many more, are provided by a combination of dedicated volunteers and career staff. **We respond to over 4,400 ambulance, 600 fire and rescue, and 400 fire police calls per year.** In addition to our emergency responses, we stand by at numerous community events throughout the year. Every year we ask our neighbors to become subscribers of the Goshen Fire Company. This protects your family and helps us continue to serve our community.

WHY BECOME A 2023 SUBSCRIBER?

No one knows when or where an emergency will occur. One thing that you can be certain of is that the Goshen Fire Company will be there to help you or your loved ones in your time of need.

Becoming a subscriber not only supports the Goshen Fire Company, but it could also save you money if you need emergency ambulance services. **As a subscriber, you will not be responsible for any fees charged by Goshen Fire Company for 911 emergency ambulance services that are not covered by your insurance.** Many insurance plans do not cover the full cost of an ambulance transport. This cost starts at \$1,100.

IMPORTANT

Please do not delay in becoming a subscriber. Help us to continue to serve our community. 2023 subscriptions begin January 1st or upon receipt of subscription payment, whichever is later. **ALL SUBSCRIPTIONS EXPIRE DECEMBER 31ST OF EVERY YEAR.**
