

Goshen Fire Company Annual Subscription and Donation Drive

To the residents we serve in East Goshen, West Goshen, Westtown and Willistown Townships:

Goshen Fire Company was organized on July 21, 1950 and we just celebrated our 75th anniversary. We are a nonprofit corporation providing fire, rescue, fire police and emergency ambulance services. These services, and many more, are provided by a combination of dedicated volunteers and career staff. **We respond to over 5,000 ambulance, 700 fire and rescue, and 400 fire police calls per year.** In addition to our emergency responses, we stand by at numerous community events throughout the year. Every year we ask our neighbors to become subscribers of the Goshen Fire Company. This protects your family and helps us continue to serve our community.

WHY BECOME A 2026 SUBSCRIBER?

No one knows when or where an emergency will occur. One thing that you can be certain of is that the Goshen Fire Company will be there to help you or your loved ones in your time of need.

Becoming a subscriber not only supports the Goshen Fire Company, but it could also save you money if you need emergency ambulance services. **As a subscriber, you will not be responsible for any fees charged by Goshen Fire Company for 911 emergency ambulance services that are not covered by your insurance.** Many insurance plans do not cover the full cost of an ambulance transport. This cost starts at \$1,250.

Credit card payments are being accepted on our website.
